TECH CENTER 1600/2900

Hon. Assistant Commissioner For Patents
Washington, DC 20231

Sir:

In accordance with the duty of disclosure under 37 C.F.R. §1.56 and pursuant to the requirements set forth in 37 C.F.R. §1.97(d), Applicants are enclosing herewith a PTO-1449 citation form and a copy of a single reference listed thereon.

The reference was cited in an Official Action dated May 11, 1998, received for a counterpart European patent application. Because the document is in English, further comment is believed to be unnecessary.

It is respectfully requested that the cited document be considered by the Examiner in the above-identified patent application and that the cited document be made officially of record therein. It is further requested that a listing of the same appear on the face of any patent which may issue from this application.

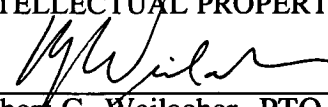

Due to a clerical oversight, this Information Disclosure Statement is being filed three months after receipt of the Official Action. A Petition under 37 CFR §1.97(d) accompanies this Statement, and a check in the amount of \$240 is enclosed to cover the requisite fee.

Please charge any additional fees or credit overpayment to Account No. 02-4300.

Respectfully submitted,
